**STIPULATION OF EXTENSION OF TIME TO RESPOND TO  
CLASS ACTION COMPLAINT**

COME NOW Plaintiff and Defendants, William Prym GmbH & Co. KG, Prym Consumer USA, Inc., Prym Fashion, Inc., YKK Corporation of America Inc., YKK (U.S.A.) Inc., YKK Snap Fasteners America, Inc., Coats plc, Coats North America de Republica Dominicana, Inc., and Scovill Fasteners Inc ("Defendants"), in the above-styled civil action, and by and through their undersigned counsel, hereby stipulate that the time within which the Defendants must file a response to the Class Action Complaint is hereby extended until at least 45 days after: (1) the Panel on Multidistrict Litigation rules on the pending motions and (2) Plaintiff files and serves a consolidated class action complaint. If any answer or other responsive pleading is filed by Defendants in any other action arising out of the same transactions and occurrences before the date required by this stipulation, or if any documents are produced in such action, Defendants will file their answer or responsive pleading, and shall produce such documents, in this matter concurrently. In no event shall the Defendants' time to respond to the class action complaint or a consolidated class action complaint, if any, be due prior to the time that a response is due for any defendant that is not a party to this stipulation, except that not more than 30 days shall thereby be added to the time that Defendants would otherwise be required to respond pursuant to this stipulation.

By entering into this stipulation, Defendants have not waived their rights with respect to any potential defenses in this litigation, including but not limited to assertion of jurisdictional defenses, except as to the sufficiency of service of process.

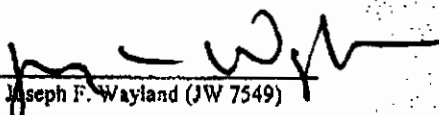

So stipulated, this 31th day of January, 2008.
